Taishinin(Supreme Court)'s Judicial Behavior in Corruption Cases: Hints for Integration of Judicial Behavior Studies with Free Society Studies

Dr. Wong KamBill

Dr. Wong KamBill holds PhD degree in criminology from the University of Hong Kong. He has multiple research interests in judicial behavior of wrongful conviction, Japanese legal history, judicial behavior of Coroner Court in Hong Kong and international human rights law. Dr. Wong had been a visiting scholar of Stanford University for his research project focused on legal system and court judgments in pre-war Japan. Currently, he tries to integrate judicial behavior studies with fair society studies.
